Dear Hazel:

Thank you for the pictures for Glen Keating's scrap book. I have added these to it and I must say that he did turn in a very handsome book, and he will be giving other Juniors pretty stiff competition for First Place.

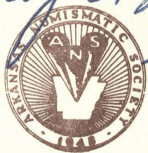

Sincerely,

MRS. ELMO JEHLIN

If you will note these pictures
were taken the same day & many
pictures that Glen Keating & Pine Bluff
has in his N.C.W. scrap book.

I do not feel these should be
left out since the Postal Depart-
ment had a fire & delayed his
pictures.

I'm taking the privilege of
lending on to you to put
place in his scrap book. It
should be done for it is not his
vault. This dedicated youth
should be encouraged. He
is one of our biggest supporters &
is an outstanding winner in
Ark.

However if it is against policy
please return to me

Thanks

Hazel Lindstrom
